**THANKS
TO OUR PARTNERS**

EDITO

Dear friends, partners, and table soccer enthusiasts, the year 2025 opens with a major milestone for our discipline: the Table Soccer World Cup in Zaragoza. This exceptional event is the culmination of outstanding collective effort, and I would like to extend my heartfelt thanks to all those who have made it possible: the Spanish Table Soccer Federation (FEFM), Table Soccer manufacturer Infinity, the entire ITSF team, and our valued institutional partners—the Aragon region and the city of Zaragoza. Thanks to their dedication, along with the contributions of numerous volunteers and service providers, this edition is set in a highly professional environment that fosters both athletic performance and meaningful encounters.

We are immensely grateful to our unwavering partners—Philor, Bonzini, Garlando, Leonhart, Roberto Sport, Tornado, Dynatech, Lizaga, and Depalo. Their commitment is not only essential to the success of this World Cup, but also to the broader development and recognition of our sport worldwide.

Athletes from five continents have made the journey, a testament to the growing global reach of table soccer. We also salute the federations whose daily efforts allow our discipline to thrive and evolve. This World Cup is an opportunity to introduce international table soccer traditions to Spanish audiences while allowing global players to experience the richness of Spanish playing culture.

Zaragoza, a city steeped in culture, history, and hospitality, offers an exceptional backdrop for this event. The Príncipe Felipe Pavilion, transformed for the occasion into a world-class sporting venue, will host a truly extraordinary competition. The scale and quality of the sports infrastructure reflect the ambition and stature of this World Cup.

The level of play promises to be outstanding. Following the thrilling 2022 edition in Nantes, where champions from across the globe demonstrated incredible skill and resilience, we now look forward to seeing whether they can defend their titles or if new contenders will emerge.

We wish everyone a memorable stay filled with enriching discoveries, human connection, and unforgettable matches. This World Cup embodies the values we uphold: a sport that is accessible, demanding, and profoundly human. To all those who contribute—whether on stage or behind the scenes—to making this event unique: thank you. Together, let us continue building an ambitious and sustainable future for table soccer.

Wishing you all a fantastic World Cup,
Farid Lounas and the entire ITSF team

100 FOOSBALL TABLES FOR SCHOOLS

ABOUT 100 FOOSBALL TABLES FOR SCHOOLS

Launched by the International Table Soccer Federation (ITSF), the 100 Foosball Tables for Schools project aims to provide schools with free foosball tables. Its objective is to develop the practice of the sport among young people.

In just two years, 350 schools has been equipped by as many charitable companies.
